PROFILE SUMMARY

I am a dedicated and skilled Full Stack Python Web Developer with a strong background in academics and internships. During my internships at VaultOfCodes, I developed and implemented Python programs, leading to a 50% increase in team efficiency. I also collaborated with a cross-functional team to successfully design and execute a project within the designated time frame. Additionally, I provided valuable assistance to senior developers in troubleshooting and debugging code, contributing to timely issue resolution. Equipped with a diverse range of technical skills including Python, Django, HTML, CSS, JavaScript, Bootstrap, MySQL, and SQLite, I am well-prepared to take on challenging projects. With certifications in Python and Django development, I have honed my expertise in these areas. I am now seeking new opportunities to apply my skills and continue expanding my knowledge in the field.
